Sept. 30, 2010 – For immediate release

IDOT to close I-64 weekend of Oct. 8-11 for MRB work

Collinsville, IL – The Illinois Department of Transportation and its contractor Keeley and Sons will be closing both directions of Interstate 64 between Illinois Route 111 to the I-64/55/70 split at 9 p.m. Friday, Oct. 8, 2010 to remove the 15th Street overpass.

The roadway will reopen by 5 a.m. Monday, October 11.

The detour for the closure is to take I-255 to I-70/55 to get into St. Louis. Drivers may also want to consider using I-255 and I-270 to get between Illinois and Missouri during this work.

This work is part of construction required for the Mississippi River Bridge project. The entire MRB project should be open to traffic in 2014.
