June 11, 2010 – For immediate release

MoDOT to cut ribbon on St. Louis Avenue bridge

ST. LOUIS – The public is invited to join the Missouri Department of Transportation (MoDOT) and its contractor Fred Weber, Inc. to celebrate the completion of the St. Louis Avenue bridge over I-70 with a ribbon cutting.

The ribbon cutting is Friday, November 5 at 10:30 a.m. on the bridge. Parking around the bridge will be limited; however, attendees can park on St. Louis Avenue on either side of the bridge.

Completing the bridge is another milestone reached toward completing the new Mississippi River Bridge project. MoDOT needed to complete the Madison Street and St. Louis Avenue bridges before work starts on the I-70 Missouri interchange. That portion of the project will begin in 2011.
