MoDOT announces ribbon cutting for new ramp

ST. LOUIS – The Missouri Department of Transportation and Millstone-Bangert, Inc., will open a new ramp from eastbound I-70 to Tucker later this week in time for Rams fans to attend Thursday's Rams home game.

The ramp will connect to St. Louis City's work to upgrade Tucker Boulevard.

The department and the city will celebrate the impending completion of the ramp with a ribbon cutting ceremony on the ramp Thursday, September 26, at 11 a.m. The ramp will open later that afternoon.

Only the ramp from the interstate to Tucker opens this Thursday. The remainder of the interchange between I-70, Cass Avenue, Tucker Boulevard and the new I-70 bridge will open in early 2014.
