

Title Page

Foreword

- A. **Condensed Final EIS** F-1
- B. **Substantive DEIS Changes and Additions** F-1

Summary

- A. **Brief Project History** S-1
- B. **Project Purpose** S-2
- C. **Project Need** S-2
 - 1. Traffic Capacity and Travel Efficiency S-3
 - 2. System Linkage and Community Access S-3
 - 3. Traffic Safety S-4
 - 4. Economic Growth and Development S-4
- D. **Affected Environment** S-4
- E. **Locally-Preferred Alternative** S-5
 - 1. Downtown Traffic Control S-5
 - 2. Transit Pricing S-5
 - 3. Build Alternative S-5
- F. **Environmental Effects** S-10
- G. **Other Federal Actions** S-13
- H. **Project Cost and Schedule** S-13

Abbreviations

- A. **Entities** A-1
- B. **Terms** A-2
- C. **Units of Measure** A-4

Chapter 1: Purpose of and Need for Action

- A. **Project Purpose** 1-1
- B. **Project Need** 1-1
- C. **Project History** 1-4

Chapter 2: Affected Environment

- A. **Social/Economic** 2-1
- B. **Cultural** 2-3
- C. **Air Quality** 2-3
- D. **Noise** 2-5
- E. **Natural Resources** 2-6
 - 1. Geology and Soils 2-6
 - 2. Groundwater Resources 2-7
 - 3. Terrestrial Vegetation and Wildlife Habitat 2-9
 - 4. Threatened and Endangered Species 2-10
- F. **Surface Water Resources/Water Quality** 2-12

1.	Water Resources	2-12
2.	Water Quality and Sediment Chemistry	2-14
3.	Aquatic Habitats	2-15
G.	Floodplains	2-16
H.	Wetlands	2-17
I.	Special Waste	2-18
J.	Special Lands	2-19
K.	Visual and Aesthetic Qualities	2-20

Chapter 3: Alternatives Considered

A.	Screening Process - Stage I Alternates	3-2
1.	Initial Stage I Alternates 1-4 Study Corridor	3-2
2.	Stage I Alternates 2 and 3	3-6
B.	Screening Process - Stage II (MIS) Alternatives	3-8
1.	First Public Meeting (March 29-30, 1995) Stage II Alternatives	3-9
2.	Second Public Meeting (July 1-2, 1996) Stage II Alternatives	3-10
C.	Definition of Draft EIS Alternatives	3-12
1.	No-Build Alternative, Downtown Traffic Control, and Transit Pricing	3-13
2.	Build Alignment Description	3-14
3.	Toll Financing	3-18
4.	Traffic Projections	3-19

Chapter 4: Environmental Consequences

A.	Social/Economic	4-1
1.	Community Changes	4-1
2.	Environmental Justice	4-8
3.	Business Relocations	4-10
4.	Land Use Changes	4-16
5.	Employment	4-19
6.	Tax Revenue Effects	4-19
7.	Agriculture	4-19
B.	Cultural	4-19
C.	Air Quality	4-20
D.	Noise	4-21
E.	Natural Resources	4-27
F.	Surface Water Resources/Water Quality	4-31
G.	Floodplains	4-32
H.	Wetlands	4-39
I.	Special Waste	4-42
J.	Special Lands	4-47
K.	Visual and Aesthetic Impacts	4-48
L.	Permits	4-54
M.	Construction Impacts	4-54
N.	Secondary and Cumulative Impacts	4-59
O.	Summary of Mitigation Measures	4-60

LIST OF FIGURES

FS.1	All Roadway Improvements	S-7
F3.I	All Roadway Improvements	3-3
F3.M	Illinois I-64 Connector Improvements	3-25
F3.N	Missouri I-70 Improvements	3-27
F4.B	Local Illinois Street and Railroad Changes	4-3
F4.C	Local Missouri Street and Railroad Changes North of Downtown	4-5
F4.CC	East St. Louis Interstate Access and Local Circulation	4-11
F4.F	Illinois Residential and Business Displacements	4-13
F4.G	Mississippi River Crossing	4-17
F4.P	Missouri Noise Wall/Landscaped Earth Berm Locations	4-23
F4.Q	Missouri Noise Wall/Landscaped Earth Berm Typical Sections	4-25
F4.R	100-Year Flood Zone Displacements	4-35
F4.S	Wetlands, Threatened and Endangered Species	4-43
F4.T	Proposed Wetland Replication Areas	4-41
F5.B	Sequence of Project Construction and Capital Expenditures	5-5

LIST OF PLATES

FP.7	Photograph of Existing “Tri-Level” Interchange Looking Northeast	4-50
FP.8	Computer-Modified Photograph of Rebuilt East St. Louis “Tri-Level” Interchange Looking Northeast	4-51
FP.9	Photograph of Existing Collinsville Avenue Looking Northeast from MLK Drive	4-52
FP.10	Computer-Modified Photograph of Rebuilt Collinsville Avenue with New East St. Louis Street over I-55/64	4-53

LIST OF TABLES

F4.21	Flood Storage Displacement	4-34
F4.22	Eight-Step Federal Floodplain Evaluation Process	4-38
F4.23	Wetland Impacts and Compensation Requirements	4-41
F4.24	Proposed Wetland Mitigation by Site	4-42
F4.25	Regulatory Requirements for Natural Resource Impacts and Project Compliance	4-55
