MHTC holds special meeting to consider river bridge bids

ST. LOUIS – The Missouri Highway and Transportation Commission will hold a special meeting Wednesday, December 30, 2009 to determine if they will award a contract to construct the main span of the new Mississippi River Bridge.

The open session will be held at MoDOT's Transportation Management Center (14301 South Outer 40 Road, Chesterfield MO) at 10:30 a.m.

At the meeting, the commission will review the bids for the main span, take recommendations from the bridge executive committee, and determine whether or not to award the contract.
